## Subject Index

### A

#### AAFP

health care services by family physicians (*med soc*), May 1, p. 1405

#### abortion

methotrexate and misoprostol for induction of early abortion (*tip*), January, p. 242

#### abscess

occurrence of intra-abdominal abscess after appendectomy (*tip*), May 1, p. 1570

#### ACE inhibitors

inhaled cromolyn for cough caused by ACE inhibitors (*tip*), May 1, p. 1585

#### acid reflux disorder

management of patients with acid reflux disorder (*tip*), January, p. 225

#### adnexal masses

benign adnexal masses in postmenopausal women (*tip*), April, p. 1268

#### adolescents

acceptance of Norplant among adolescent girls (*tip*), March, p. 915  
building bridges, not walls: caring for the adolescent (*ed*), March, p. 732  
enuresis in adolescents: value of oral desmopressin (*tip*), May 15, p. 1739  
prevaccination testing for hepatitis B in adolescents (*tip*), January, p. 231  
safety counseling in children and adolescents (*article*), February 1, p. 429  
trends in physical activity among American adolescents (*tip*), March, p. 949

#### adults

acute low back problems in adults: assessment and treatment (*article*), February 1, p. 469  
adult immunization: guide for the '90s (*ed*), April, p. 1050  
adult immunizations: part I. a practical approach for clinicians (*article*), March, p. 859

adult immunizations: part II. a practical approach for clinicians (*article*), April, p. 1139

cancer detection in adults by physical examination (*article*), March, p. 871  
cholesterol screening in adults (*article*), January, p. 129  
nutrition in adults (*article*), May 1, p. 1485  
smoking cessation in adults (*article*), June, p. 1914

#### AIDS (see also HIV)

common neurologic complications of HIV-1 infection and AIDS (*article*), February 1, p. 387

#### albuterol

effect of inhaled albuterol on maternal and fetal circulation (*tip*), January, p. 210  
salmeterol vs. albuterol: effect on quality of life (*tip*), May 1, p. 1593

#### alcohol abuse

screening for alcohol abuse in pregnancy (*ed*), May 15, p. 1666

#### alcoholism

effectiveness of the AUDIT screening test for alcoholism (*tip*), February 1, p. 509  
buspirone in the treatment of alcoholics with anxiety (*tip*), February 1, p. 522

#### allergic rhinitis

fluticasone vs. terfenadine for allergic rhinitis treatment (*tip*), April, p. 1289

#### allergy

constipation in children and allergy to cow's milk (*tip*), May 15, p. 1738

#### alopecia

alopecia: diagnosis and management (*article*), May 1, p. 1513

#### Alzheimer's disease

clinical features of early-onset Alzheimer's disease (*tip*), March, p. 932

#### aminophylline

treatment of acute asthma with aminophylline (*tip*), March, p. 904

#### amphotericin B

fluconazole vs. amphotericin B in the treatment of candidemia (*tip*), March, p. 953

#### analgesia

analgesia, sedation and paralysis in the intensive care unit (*article*), January, p. 166

#### anemia

anemia in children (*article*), April, p. 1121  
anemia in pregnancy (*article*), April, p. 1189

#### angioplasty

comparison of angioplasty and coronary bypass surgery (*tip*), February 1, p. 538

#### antibiotics

discontinuing antibiotics in infants with possible sepsis (*tip*), February 1, p. 537

#### antihypertensive agents

NSAIDs, antihypertensive agents and loss of blood pressure control (*article*), March, p. 849

#### antimicrobial resistance

antimicrobial resistance: an emerging problem (*tip*), January, p. 209

#### anxiety

buspirone in the treatment of alcoholics with anxiety (*tip*), February 1, p. 522

#### apophyseal injuries

apophyseal injuries in the young athlete (*article*), June, p. 1891

#### appendectomy

occurrence of intra-abdominal abscess after appendectomy (*tip*), May 1, p. 1570

#### arm

the numb arm and hand (*article*), January, p. 103

#### ascites

management of ascites due to chronic liver disease (*tip*), April, p. 1232

#### aspirin

aspirin in the prevention of myocardial infarction (*tip*), April, p. 1280  
aspirin use and risk of colorectal cancer (*tip*), January, p. 218  
role of aspirin and warfarin in ischemic heart disease (*tip*), June, p. 1985

#### asthma

effect of reduced dosage of budesonide in mild asthma (*tip*), February 1, p. 528  
treatment of acute asthma with aminophylline (*tip*), March, p. 904  
trends in rates of morbidity and mortality due to asthma (*tip*), March, p. 957  
use of inhalers vs. nebulizers for children with asthma (*tip*), June, p. 1994

#### athletes

apophyseal injuries in the young athlete (*article*), June, p. 1891  
causes and patterns of back pain in young athletes (*tip*), May 15, p. 1727

#### atrial fibrillation

prevalence of atrial fibrillation among elderly persons (*tip*), January, p. 241  
use of magnesium sulfate in atrial fibrillation (*tip*), January, p. 246

#### AUDIT screening test

effectiveness of the AUDIT screening test for alcoholism (*tip*), February 1, p. 509

### B

#### back

acute low back problems in adults: assessment and treatment (*article*), February 1, p. 469  
AHCPR guideline on acute low back problems (*ed*), February 1, p. 334

safety counseling in children and adolescents (article), February 1, p. 429

screening for lead exposure in children (article), January, p. 139

use of inhalers vs. nebulizers for children with asthma (tip), June, p. 1994

use of spanking as discipline by mothers of young children (tip), May 1, p. 1586

**Chlamydia trachomatis**

screening for *Chlamydia trachomatis* infection (article), March, p. 821

treatment of chlamydial infection during pregnancy (tip), March, p. 919

**cholecystectomy**

comparison of laparoscopic and open cholecystectomy (tip), May 15, p. 1740

epigastric symptoms after cholecystectomy (tip), April, p. 1236

**cholesterol**

cholesterol level as a predictor of coronary heart disease risk (tip), April, p. 1231

cholesterol screening in adults (article), January, p. 129

cholesterol screening in children (article), June, p. 1923

hypercholesterolemia and cholesterol levels in children (tip), June, p. 1981

**ciprofloxacin**

ciprofloxacin for treatment of traveler's diarrhea (tip), March, p. 956

**circulation**

effect of inhaled albuterol on maternal and fetal circulation (tip), January, p. 210

**cladribine**

cladribine in the treatment of progressive multiple sclerosis (tip), January, p. 217

**cocaine**

ECG abnormalities in cocaine users without chest pain (tip), February 1, p. 516

**cognitive impairment**

cognitive and functional impairment (article), February 15, p. 633

**colorectal cancer**

aspirin use and risk of colorectal cancer (tip), January, p. 218

**constipation**

assessment of constipation in long-term care residents (tip), February 1, p. 515

constipation in children and allergy to cow's milk (tip), May 15, p. 1738

Hirschsprung's disease: a cause of chronic constipation in children (article), February 1, p. 487

**contraception**

ACOG issues report on hormonal contraception (med rep), February 1, p. 543

**contraceptive implants**

neurovascular injury related to contraceptive implants (tip), June, p. 2005

**coronary artery disease**

simvastatin in patients with coronary artery disease (tip), March, p. 920

**coronary heart disease**

cholesterol level as a predictor of coronary heart disease risk (tip), April, p. 1231

**coronary bypass surgery**

comparison of angioplasty and coronary bypass surgery (tip), February 1, p. 538

**cough**

inhaled cromolyn for cough caused by ACE inhibitors (tip), May 1, p. 1585

**critically ill patient**

family physicians and the critically ill patient (ed), January, p. 42

**cromolyn**

inhaled cromolyn for cough caused by ACE inhibitors (tip), May 1, p. 1585

**cutaneous manifestations**

new cutaneous manifestations of systemic diseases (article), February 15, p. 625

**CT**

CT scanning in children with mild head injury (tip), April, p. 1236

value of CT scanning before emergent lumbar puncture (tip), February 1, p. 512

**cystitis**

comparison of three-day regimens for acute cystitis (tip), May 1, p. 1574

**D**

**dehydration**

modern management of acute diarrhea and dehydration in children (article), April, p. 1103

**dementia**

serum B<sub>12</sub> levels and dementia in elderly patients (tip), February 1, p. 527

**depression**

effectiveness of selegiline in depressed elderly patients (tip), February 1, p. 516

**desmopressin**

enuresis in adolescents: value of oral desmopressin (tip), May 15, p. 1739

**dexamethasone**

use of dexamethasone when bacterial meningitis is unproved (tip), January, p. 220

**diabetes mellitus**

glycemic threshold for poor outcome in pregnant diabetics (tip), March, p. 909

initial management of the patient with newly diagnosed diabetes (article), June, p. 1953

opportunities to preserve vision in diabetic patients (ed), March, p. 731

optimal management of newly diagnosed diabetes mellitus (tip), June, p. 1999

outcome of patients with 'brittle' diabetes (tip), January, p. 209

risk factors for diabetes mellitus in elderly persons (tip), May 1, p. 1585

safety of IUD contraception in women with diabetes (tip), April, p. 1264

**diabetic retinopathy**

level of glucose control and diabetic retinopathy (tip), February 15, p. 674

management of diabetic retinopathy (article), March, p. 785

**diarrhea**

ciprofloxacin for treatment of traveler's diarrhea (tip), March, p. 956

microbial-fortified formula for preventing diarrhea in infants (tip), February 1, p. 504

modern management of acute diarrhea and dehydration in children (article), April, p. 1103

**dietary fiber**

long-term effect of dietary fiber in hypercholesterolemia (tip), May 15, p. 1728

the clinical uses of dietary fiber (article), February 1, p. 419

**dieting**

effects of weight cycling due to 'yo-yo' dieting (tip), February 1, p. 512

**digoxin**

use of digoxin in outpatients at risk for drug toxicity (tip), April, p. 1264

**disability**

effect of running on the disability associated with age (tip), March, p. 942

**discipline**

use of spanking as discipline by mothers of young children (tip), May 1, p. 1586

**dizziness**

one-year outcome in patients with persistent dizziness (tip), May 1, p. 1569

**dobutamine-atropine stress echocardiography**

value of dobutamine-atropine stress echocardiography (tip), April, p. 1285

**drug eruptions**

serious and life-threatening drug eruptions (article), June, p. 1865

**drug use**

prevalence and effect of illicit drug use during pregnancy (tip), June, p. 1994

**drug-nutrient interactions**

significant drug-nutrient interactions (article), April, p. 1175

**drug toxicity**

use of digoxin in outpatients at risk for drug toxicity (tip), April, p. 1264

**dysfunctional uterine bleeding**

surgical treatment options for dysfunctional uterine bleeding (tip), January, p. 232

Index to Volume 51

**dysphagia**  
efficacy of dysphagia therapy following stroke (*tip*), February 15, p. 664

**E**

**ECG**  
ECG abnormalities in cocaine users without chest pain (*tip*), February 1, p. 516

**echocardiography**  
value of dobutamine-atropine stress echocardiography (*tip*), April, p. 1285

**ectopic pregnancy**  
hyperosmolar glucose injection in unruptured ectopic pregnancy (*tip*), May 1, p. 1566  
methotrexate therapy for unruptured ectopic pregnancy (*tip*), June, p. 1986  
single-dose methotrexate for ectopic pregnancy (*tip*), March, p. 937

**elderly**  
effectiveness of selegiline in depressed elderly patients (*tip*), February 1, p. 516  
inappropriate medication use among elderly persons (*tip*), February 1, p. 496  
long-term outcome of hip fracture in elderly persons (*tip*), March, p. 927  
prevalence of atrial fibrillation among elderly persons (*tip*), January, p. 241  
risk factors for diabetes mellitus in elderly persons (*tip*), May 1, p. 1585  
risk factors for HIV infection among elderly persons (*tip*), May 1, p. 1593  
serum B<sub>12</sub> levels and dementia in elderly patients (*tip*), February 1, p. 527  
value of home assessment after hospitalization in the elderly (*tip*), May 15, p. 1738  
value of hypertension treatment in elderly patients (*tip*), January, p. 214  
value of vaccination against influenza in elderly persons (*tip*), January, p. 234

**electroconvulsive therapy**  
trends in the usage of electroconvulsive therapy (*tip*), February 15, p. 667

**empyema**  
subdural empyema (*article*), January, p. 157

**endarterectomy**  
carotid endarterectomy in patients over age 75 (*tip*), March, p. 949

**endometrium**  
carcinoma of the endometrium (*article*), May 1, p. 1531

**enteritis**  
a rapid test for infectious and inflammatory enteritis (*tip*), May 1, p. 1566

**enuresis**  
enuresis in adolescents: value of oral desmopressin (*tip*), May 15, p. 1739

**erysipelas**  
St. Anthony's fire: diagnosis and management of erysipelas (*article*), February 1, p. 401

**esophagitis**  
maintenance treatment of reflux esophagitis (*tip*), March, p. 960

**estrogen replacement therapy**  
estrogen replacement therapy and fracture in older women (*tip*), June, p. 1989

**exercise testing**  
value of exercise testing after acute myocardial infarction (*tip*), January, p. 226

**F**

**fatigue**  
relationship between viral illness and chronic fatigue (*tip*), January, p. 223

**fetal death**  
analysis of risk factors for occurrence of fetal death (*tip*), January, p. 245

**fetal scalp blood sampling**  
impact of discontinuation of fetal scalp blood sampling (*tip*), January, p. 224

**fiber**  
the clinical uses of dietary fiber (*article*), February 1, p. 419  
long-term effect of dietary fiber in hypercholesterolemia (*tip*), May 15, p. 1728

**fitness**  
fitness interventions in patients with chronic low back pain (*tip*), May 1, p. 1586

fluconazole vs. amphotericin B in the treatment of candidemia (*tip*), March, p. 953

**fluticasone**  
fluticasone vs. terfenadine for allergic rhinitis treatment (*tip*), April, p. 1289

**fracture**  
estrogen replacement therapy and fracture in older women (*tip*), June, p. 1989

**functional impairment**  
cognitive and functional impairment (*article*), February 15, p. 633

**G**

**gastric ulcer**  
gastric ulcers associated with *H. pylori* infection (*tip*), June, p. 1989

**genital herpes**  
predictors of recurrence of genital herpes (*tip*), June, p. 1993

**girls**  
acceptance of Norplant among adolescent girls (*tip*), March, p. 915  
characteristics of labor in girls under age 15 (*tip*), January, p. 213

**glucose**  
hyperosmolar glucose injection in unruptured ectopic pregnancy (*tip*), May 1, p. 1566  
level of glucose control and diabetic retinopathy (*tip*), February 15, p. 674

**gonococci**  
disseminated infection with penicillin-resistant gonococci (*tip*), May 1, p. 1569

**Gram stain**  
reliability of Gram stain in detection of UTI in infants (*tip*), May 1, p. 1578

**gynecologic disorders**  
ACOG releases technical bulletin on pediatric gynecologic disorders (*med rep*), May 15, p. 1743

**H**

***H. pylori***  
gastric ulcers associated with *H. pylori* infection (*tip*), June, p. 1989

**hand**  
the numb arm and hand (*article*), January, p. 103

**head**  
CT scanning in children with mild head injury (*tip*), April, p. 1236

**headache**  
migraines and other headaches: an approach to diagnosis and classification (*article*), May 1, p. 1498  
prevalence of migraine headache in children (*tip*), January, p. 212  
treatment of acute headache in the emergency department (*tip*), March, p. 915
